

6 Selections

Can & Bottle Cold Drink Vending Machine

Space is always an issue, especially when it comes to your vending locations. The six selection cold drink vending machine provides the key to reducing your vending footprint and increasing selection and satisfaction.

Six selections allow you to mix and match bottles and cans to meet your customer and employee needs. The ability to vend 144 bottles, 312 cans or a combination of both bottles and cans gives you the versatility to serve your customers and employees the beverages they most desire including bottled water, sodas, sports drinks, energy drinks and juices.
